

# 2012 Budget: Delivering Outcomes for Seattle

## Seattle Police Department

Neighborhood Policing Plan goals and outcomes

### 1. Faster 911 Response Time

7:00  
MIN SEC

NPP Goal

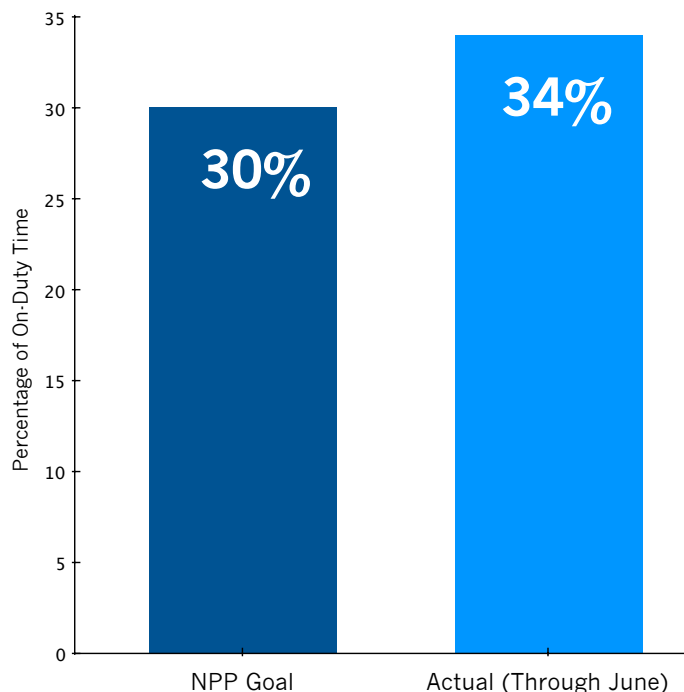

5:18  
MIN SEC

Actual (through June)

### 2. More Proactive Time

An important goal of the NPP is to increase the amount of time per shift officers spend patrolling the neighborhood and looking for problems to solve—"proactive time"—to 30%.

We've exceeded that goal; our current level is 34%.

### 3. More Backup Vehicles

"Having more cars uncommitted to calls at any time will give patrol commanders capacity for added proactive work and flexible backup capability for officer safety."

-Neighborhood Policing Plan
